

AGED MAN FOUND DEAD

JOHN MILLER, OF EAST BERLIN, DIES SUDDENLY.

Rev. S. A. Diehl, Retired Minister, Dies at Hospital—Young Veteran Dies from Effects of German Gas

John Miller, a life long resident of East Berlin, aged 77 years, 2 months and 23 days, was found dead in a chair at his home last Monday morning by several neighbors. He had been alone for several days and just when he died no one knows. He was last seen alive on last Saturday evening, and it is believed by Dr. Elgin, who examined the body, that death was caused by apoplexy some time during Saturday night. His wife had gone to Hanover to visit her daughter, Mrs. M. H. Brown, for a few days, leaving her husband in his usual good health. During Saturday he had been working in the garden. As Mr. Miller had not been seen all day Sunday and Monday morning, Clinton Cashman, Birdes Jacobs, David Border and several other neighbors made an investigation and found the aged man. Before him was a plate of melted ice cream and death apparently had come very suddenly while he was in the act of eating the cream. Mr. Miller is survived by his wife, and daughters, Mrs. M. H. Brown, of Hanover, and Mrs. Harry C. Shaffer, of York. One sister, Mrs. Hettie Shide, of Atlanta, Ga., also survives. The funeral was held on Wednesday with services at Trinity Lutheran Church of which he was a consistent member. Rev. Paul Gladfelter officiating, and interment was made in Union Cemetery, East Berlin.

Rev. Samuel A. Diehl, formerly of Gettysburg, but lately of New Oxford, where he made his home with his sister, Mrs. Jacob Hartzel, died in the Annie M. Warner Hospital, Gettysburg, on Wednesday afternoon from acute nephritis. Rev. Diehl had been in ill health since the death of his wife ten months ago. His age was 74 years, 6 months and 7 days. Rev. Diehl was born in New Oxford, a son of the late Daniel and Mary Diehl. He graduated from Gettysburg College in 1872, and from the Lutheran Theological Seminary, Gettysburg, two years later and was ordained a minister of the Lutheran Church. In his active ministry he served five churches as follows: Blosserville, Cumberland county; Woodsboro, Md.; Westminster, Md.; Bendersville, Adams county; and Mt. Carmel charge, Hanover. He retired from the Mt. Carmel charge about two years ago, moving to Gettysburg with Mrs. Diehl where her death occurred last March. Following her death he made his home with his sister, Mrs. Jacob Hartzel, in New Oxford, who is his only survivor. His wife's maiden name was Miss Jennie Hamilton, of Gettysburg. The body was removed to H. B. Bender's funeral parlors and funeral was held Saturday afternoon at 1:30 o'clock with services at St. James' Lutheran Church, Gettysburg. The services will be in charge of his pastor, Rev. W. M. Allison, of New Oxford, assisted by Rev. Dr. J. B. Baker, pastor of St. James Church. Interment will be made in Evergreen Cemetery on the family plot by the side of his wife.

John Roger Witmer, World War veteran and son of Mr. and Mrs. J. G. Witmer, died Sunday morning in Philadelphia of tuberculosis. For several years he resided in Arendtsville and was graduated from the Arendtsville High School in the class of 1914. Mr. Witmer was a member of the American Railway Engineers for two years in France during the war. While serving with the American Expeditionary Forces in France he was severely gassed, which in the last few years developed into the disease from which he died. Mr. Witmer was a member of the Harry Ingersoll Post, No. 174, of the American Legion in Philadelphia. He is survived by his father and mother, one sister, Edna V. Witmer, and his wife, who was formerly Miss Emma Dybeck.

Y.; Mrs. A. O. Cunningham, of Fort Pierre, S. D.; John E. Sponseller, of York; Mrs. Ervin Yohe, of Hartzdale, and Ray J. Sponseller, of Mt. Pleasant township. He is also survived by a brother, Amos Sponseller, of New Oxford; a sister, Mrs. Charlotte Baumgardner, of near Hanover, and two step-brothers, George Sponseller, of Ohio, and John Sponseller, of New Oxford. A double funeral was held Saturday morning with services at the Reformed Church, New Oxford, and interment in New Oxford Cemetery.

Hezekiah Trone, of near Sherman's Church, along the Black Rock road, died aged 73 years, 2 months and 24 days. He was a son of the late John and Harriet Trone. Surviving him are his wife, who was Miss Eleanor Smack, and the following children:

Koser, of Arendtsville, and interment in the cemetery adjoining the church.

John Boose, 55 years old, of Dillsburg, committed suicide. The cause of the suicide is thought by members of the family to have been due to ill health. Since he was struck on August 3, 1920, by a dinky engine at the clay banks near Dillsburg, and had his two legs crushed, Mr. Boose had been suffering greatly, and lately had only been able to be about with the aid of crutches. THREE NEW DEVELOPMENTS

IN THE CASE OF NURSE CHARGED WITH KILLING BABY.

Nurse Transferred to Jail—Report of Coroner's Jury and Hearing of Charge by Justice.

There have been three developments in the case of Helen Geiselman, the nurse charged with the killing of her new-born baby, during the past week.

On last Saturday, Helen Geiselman the nurse, having recovered from the attempt to take her own life and also from the childbirth, was removed from the hospital to the county jail. A room had been prepared for her and given repairs so as to afford better security.

This week the coroner's jury filed their final report which is as follows: An inquisition taken at Gettysburg in the county aforesaid the 24th day of April, 1922, before Dr. C. G. Crist, coroner of the county aforesaid, upon view of the body of a male infant child then and there lying dead, upon the solemn oaths or affirmations respectively of Charles Gardner, Ralph Redding, M. F. Williams, S. Weiser, J. McDannell and F. Slonaker, six good and lawful men of the county aforesaid, charged to inquire, on the part of the Commonwealth, when, where, and by what means the said male infant child came to his death, who upon their respective oaths or affirmations do say that it appears from the view of the body and from the evidence produced before them, that the said male infant child came to his death on the 10th day of April, 1922, at the Annie M. Warner Hospital, Gettysburg Borough, Adams county, Pennsylvania, by means of strangulation and a wound on the back of the head, inflicted after the birth of the said male infant child, and the said strangulation and wound on the back of the head was administered and the death of said male infant child was caused by Helen Geiselman, mother of the said male infant child against the peace and dignity of the Commonwealth of Pennsylvania.

The third development was on Tuesday when the hearing took place in the jail before Justice of the Peace J. L. Hill, at which she was charged with the murder of her baby and at the conclusion held in custody to answer the charge. She was represented at the hearing by her counsel, J. D. Swope, Esq. District Attorney R. F. Topper presented the case of the Commonwealth. The testimony of three witnesses were heard. Dr. C. G. Crist, as to facts that came to his knowledge, in the holding of the coroner's inquest. Dr. Henry Stewart, who testified to the autopsy and that the child had been born alive. Frank Goucher, State Policeman, testified to the confession of the nurse made to him, her words being, "I killed my baby." Miss Geiselman was present during the entire hearing but took no part in any way.

The trial of the case can not take place until the August court, at which time the Grand Jury will first act on indictment presented to them.

Band Gives Concert at Mont Alto.

The Gettysburg Band gave a concert last Sunday afternoon at Mont Alto Sanitarium as a compliment to the World War Veterans who are patients there. A number of automobiles were loaned for the trip and thirty band men and a number of other town folks made the trip. The many expressions of appreciation gave evidence that the concert was thoroughly enjoyed and although other towns have talked of giving band concerts at the Sanitarium Gettysburg was the first to really do so.

Hotel Is Being Repaired.

Extensive improvements are in progress at Hotel Gettysburg. All the stucco finish and wire lath has been taken off and the entire outside surface of the building on Carlisle street and the Square will be refinished in a rough cast material of marble and granite which will present a fine appearance. The interior of the building has undergone a complete renovation during the winter. The exterior work will be finished before Memorial Day.

DEMOCRACY'S OPPORTUNITY

FACTIONS IN REPUBLICAN PARTY BEING AT WORK.

Democracy Must Make a Record Vote at the Primary Next Week.

A glorious victory is within the grasp of the Democracy of Pennsylvania—provided each and every active Democrat will only do his and her part in this battle for the redemption of the old Keystone State.

If you stay at home, fellow Democrat, you are going to help the opposition. If a small Democratic vote is polled, the independent citizen will be disheartened, he will refuse to go to the election polls in the fall as being of no use, and the Republican machine supporters will simply laugh at a small Democratic vote and bolster up their assurance that they can put across any old scheme and ticket they choose, that Democratic votes can not stop the plots of contractor bosses.

There should not be a Democratic farmer in Adams county who would not gladly take the time and go to the polls to cast a vote for John A. McSparran, the dirt farmer Democratic candidate for Governor. Farmers for years have been urging that the producer should have more of a voice in government. Here is the farmer's opportunity to say that he means what he has said, to give McSparran a cracking big primary vote and thereby serve notice on the contractor bosses that their days are numbered, that the farmer is going to take a hand in his government, that he is going to get rid of the extravagances and show how a State government should be run on a real economical basis.

Judge Eugene C. Bonniwell has sent out a call for a record Democratic primary vote, that is the biggest primary vote ever cast, and thereby to redeem your State by a glorious victory.

The Republican campaign has been a regular Kilkenny affair. Gifford Pinchot has been asking the contractors combine some questions which he indicates is juggling with funds, among them are the following:

"If the best that can be said is that none of the State's principal was lost, how about the interest?"

"Where was the money which the State said the banks had and the banks did not have?"

"Who was using it and for what purpose?"

"At that time money was worth 6 to 8 per cent or even more. Why were these manipulations made? We may be perfectly certain that the books of the State were not falsified just to keep the clerical force amused and happy. There was a reason. What was it?"

Those opposed to Pinchot have replied with an attack in which it is alleged that Pinchot as Forestry Commissioner requested a raise of \$3000 in his yearly salary; personally directed the increase in the Legislature; and resigned and was re-appointed in order to circumvent constitutional restrictions, and this attack created a sensation.

It is charged also by Senator T. Lawrence Eyre, chairman of the Appropriations for his department. The appropriations made to his department at this session, aggregated: \$1,925,000, as against \$876,000 at the session of 1919. This appropriation, large as it is, was \$5,000,000 less than Mr. Pinchot endeavored to secure for the State Forestry Bureau.

Friends of Pinchot are asking why Alter does not resign as Attorney General as Fisher and Pinchot did? So the campaign music keeps jazzing and if the people want to clean house this is the year their self-respect should persuade them to do the cleaning. John A. McSparran is the man to do the cleaning. Give McSparran your support and the only way to do it is to go to the Primary and vote for him. Cast your ballot as set out in another column. Cut out the ballot or take the Compiler with you to the polls and vote it as marked and thereby earn the approval of your own conscience. Doing anything else will compel you to make excuses for your course. Do the only Democratic thing you can do to square yourself with yourself. Go to the polls next Tuesday, May 16, and vote for McSparran and balance of ticket.

Church Celebrations.

On Sunday and Monday, May 14-15, there will be a triple celebration in New Oxford, the 100th anniversary of the founding of St. Paul's congregation, the 10th anniversary of the erection of the present church edifice, and the 40th session of the Gettysburg Classis. The program is in charge of Rev. P. R. Pontius and on Sunday Rev. Edwin M. Sands, of Hanover, will preside and Dr. Richards, of Lancaster, will preach the sermon. On Monday Rev. Paul D. Yoder, of Codorus, will preside and Rev. W. A. Korn, D.D., will preach the sermon.

The one hundred and seventy-fifth anniversary of the organization of Christ Reformed Church, near Littlestown, was celebrated at that church on Sunday, May 7. The church was organized on May 4, 1747. The Rev. F. S. Lindaman, D.D., who has been pastor of that congregation for the past 36 years, delivered the address which was a summary of the history and activities of the church.

MARINE CAMP SITE CHOSEN

ON U. S. FARM TENANTED BY WM. F. REDDING.

Nearly Six Thousand Marines Coming—Pickett's Charge Will be Demonstrated.

The site for the camp of the United States Marines was chosen this week by General Smedley D. Butler, Commander of the Marine Corps at Quantico, Va. The camp will occupy 100 acres of the U. S. farm tenanted by Wm. F. Redding along the Emmitsburg road, being part of the land across which Pickett's charge was made. Gen. Butler with his Chief of Staff Colonel T. Holcomb, returned to Washington after completing a number of details here, to have the Secretary of War approve of all plans.

The camp will be here from June 23 or 24 until July 6. The 5,500 Marines at Camp Quantico will march here and during their stay here will engage in maneuvers. One of the plans will be to reproduce on July 3 Pickett's charge as it took place, and on July 4th the charge will be staged according to modern methods. There may be as many as 25 to 30 aeroplanes at the camp and take part in the up-to-date charge. A number of officers have already visited the field by the aeroplane route and the impression prevails that Gettysburg will make an ideal site for the Marine Corps camp.

In addition to the maneuvers the Marines will play a number of baseball games here and there will be other recreations for them. Altogether the camp will be a most attractive feature of the coming summer season here.

At a meeting of the school directors of Gettysburg on Wednesday evening, John W. Brehm was named by the board to fill the unexpired term of Chas. S. Speese until the next regular election in 1923.

Prof. Gule W. Lefevre was elected supervisor of playground activities during the summer month. There will be an opening day, and grounds will be put into condition. The roadway through grounds used as a detour while Baltimore street was being built will be closed. Cars and teams will however be admitted to games. Camping on grounds will not be allowed.

The school directors for the present decided to discontinue the Domestic Science and Manual Training Departments, due in part to the withdrawal of State aid and the added expense and hope for a favorable opportunity in the future to re-establish these departments.

Child in Odd Accident.

Dangling a rope overside the auto in which he and his mother and a few friends were riding to the New Oxford Cemetery on Sunday nearly resulted in a serious accident to Eddie Plank, Jr., of Carlisle street. The rope caught on a hub and was drawn tight, the other end having been fastened about the boy's wrist. Screams from the lad caused the car to be brought to a stop. At first it was feared that the wrist was broken but an examination showed just a bad sprain.
